SANCTIONED NORTHEASTERN OHIO
HORSEMAN'S ASSOCIATION
NEOHA / DUSTY BOOTS RIDING CLUB
RULES AND REGULATIONS

1. INTRODUCTION

Dusty Boots Riding Club, Inc., a family-centered riding group, has been in existence for over 70 years. Dusty Boots sponsors the Northeastern Ohio Horseman's Association (NEOHA). NEOHA is *not* an organization in itself, but an outgrowth of Dusty Boots; the NEOHA having been created to tabulate points, award yearly honors, and give the shows a certain consistency. The shows are approved by NEOHA but are actually produced by totally independent organizations, such as 4-H clubs, Jefferson Rotary, etc. Dusty Boots Riding Club, Inc./ NEOHA, follows the American Quarter Horse Association (AQHA) rules as a guideline.

2. MEMBERSHIP

A. Membership dues for Dusty Boots Riding Club shall be for January thru December of current year.

B. Family membership includes parents and family members 18 years and under. Youth 18 years and under as of January 1st must have a family membership.

C. All individuals showing for point tabulation must be a paid Dusty Boots Riding Club member.

D. Horses must be signed up prior to competing in order to receive any points toward year-end awards. No points will be awarded for classes shown prior to the moment the horse sign-up fee was paid.

E. Everyone who shows NEOHA for year-end awards must be a Dusty Boots member and therefore has all the rights of membership, including voting privileges for those ages 19 and over. Dusty Boots Riding Club meetings are the first Wednesday of every month at 7:00 pm. **All members are encouraged to attend.**

3. PAYMENT OF FEES

A. Membership dues, horse nomination fees, daily entry fees, grounds fee and all other fees as may be incurred in the course of an individual or family's involvement with NEOHA and/or Dusty Boots Riding Club, are considered paid on the date submitted. However, all checks received are subject to payment by the payer's bank.

(1) If a check is returned unpaid from the bank for any reason, the check writer will be notified. They will have 30 days from notification to remit payment for the amount of the check, as well as the amount of any and all fees incurred by NEOHA/Dusty Boots Riding Club and/or the organization sponsoring the show as a result of the returned check.

(2) If payment on a returned check is not remitted within the allotted time, any membership and/or horse nomination fees that were assumed paid with the returned check will be cancelled. Any points earned from the time the bad check was submitted, until the time the matter is settled to the satisfaction of NEOHA, will be forfeited.

(3) Any letter of notification sent via mail that is not returned to the club by the post office, will be considered served.

(4) Anyone submitting a check must assure that the check is honored at the time it is presented for payment. Any delay on the part of NEOHA or the sponsoring organization in depositing a check for collection will not affect the standard procedure of debt collection as defined by NEOHA, if a check is returned unpaid.

B. In the event that a returned check is not reimbursed within the allotted time, any and all individuals whose fees were paid with that check will be prohibited from showing at any sanctioned NEOHA shows, and they will not be permitted to renew their Dusty Boots membership until the matter is resolved. This will apply regardless of that individual's membership in Dusty Boots Riding Club at the time the check was submitted, and regardless of whether the returned check was written in their name. For example: If John Doe writes a bad check to cover the entry fees of Jane Doe, both Jane and John Doe will be prohibited from participation in NEOHA events until the matter is resolved.

(1) If sanctions are taken against individuals whose fees were paid with a bad check, NEOHA will notify all parties affected by the sanctions.

C. After two instances of passing a bad check for any NEOHA sanctioned show or event, whether the check is reimbursed or not, that individual will no longer be permitted to submit a check for payment. Cash or a cashier's check will henceforth be the only form of payment accepted from that individual, regardless of their membership in Dusty Boots Riding Club. A list of the individuals who are not permitted to submit checks will be kept in the entry box for the reference of the entry booth staff.

D. Any organization receiving bad checks must notify an NEOHA Director immediately, so the appropriate procedure for collection may be put in motion.

4. SHOW DATES

A. A maximum of 15 show dates will be approved by NEOHA in a calendar year. The first sanctioned show shall be no earlier than the first Sunday of May. The final approved show shall be no later than September 30. Organizations having held previous sanctioned shows will receive first consideration for approval of shows by

NEOHA the following year. Any show date not renewed by the organization previously having that date may be applied for by another organization.

B. Applications for show dates must be mailed to:

**Dusty Boots Riding Club
PO Box 875
Ashtabula, Ohio 44005-0875
ATTN: SHOW DATE COORDINATOR**

Postmarks will determine the dates of applications. A \$25.00 deposit to the NEOHA must accompany all applications for show approval. This deposit will be returned to the applying organization if the show date is not sanctioned. If more than one organization applies for the same date, the organization with seniority for that date shall be used to determine priority.

C. To avoid withdrawal of NEOHA sanction, loss of deposit and unnecessary reprinting costs, a copy of the proposed show flyer, the name of the confirmed judge and show steward **must** be submitted for approval to NEOHA **before** it is published.

5. SHOW REQUIREMENTS

A. All NEOHA sanctioned shows must post at the entry booth before the start of the show, a copy of the NEOHA Rule Book. All participants at NEOHA sanctioned shows, members and non-members, must adhere to NEOHA rules.

B. To cover the cost of a NEOHA sanctioned show and/or drug testing and the supplied entry card kit, a fee of 25 cents per entry will be assessed each sponsoring organization by NEOHA.

C. Any organization choosing to use the Dusty Boot's computer system will pay an additional fee plus payment for the computer operator.

D. All patterns except trail and ranch riding must be posted 30 minutes prior to the start of the show. Patterns and rail work in at least one direction of the ring are mandatory for **all** Horsemanship and Equitation classes. Only posted patterns may be used; and once posted, patterns may not be changed.

E. A 9:00 a.m. start time is recommended for all shows. All shows should start as close as possible to the published start time.

F. Every organization sponsoring a show must give awards for first through fifth place in each class. (Examples of awards include ribbons, trophies, cash, etc.)

G. Every organization sponsoring a show must use the NEOHA approved list of classes. All NEOHA classes must be included in their proper order. Organizations wishing to add approved classes may do so as long as all regular NEOHA classes are used in their order.

H. Each sponsoring organization is responsible for getting all needed information to the NEOHA Point Secretary or Show Steward at the close of the show. This includes the names of all exhibitors in all classes, all entry cards (including non-point classes), all judges cards, and all Dusty Boots memberships and horse nominations.

I. A maximum entry fee of \$5.00 will be charged for all classes except stakes and/or jackpot classes. The entry fee for stakes and/or jackpot classes will be determined by the organization sponsoring the show.

J. There will be a fee of fifty cents per mile to deliver or return the entry box, if it is not picked up from and/or returned to the Point Secretary by a representative of the sponsoring organization.

6. SHOW OFFICIALS

A. Show Stewards and a Point Secretary will be elected for each calendar year. A Steward or a substitute appointed by the Steward will be at each sanctioned show to explain and enforce the NEOHA Rules. In the event a Steward is not available, questions regarding the governing of a show may be brought to the attention of any available NEOHA Director.

B. Each sponsoring organization must appoint a Show Manager from their organization to help their show run smoothly.

C. The Show Stewards and/or club officers shall be empowered to make private arrangements for drug testing for the current show season.

7. SHOW EVALUATION

A. To encourage quality shows, the NEOHA Directors will evaluate each show on the basis of entry fee, judge, awards, ring crew, equipment, condition of grounds, adequacy of facilities, layout of the flier, and adherence to NEOHA Rules. ***The NEOHA reserves the right not to approve***, the following year, shows which have been found significantly deficient in these or other important areas.

B. The NEOHA Directors will meet to evaluate shows following the final show of the year.

8. JUDGES

A. NEOHA reserves the right to approve or disapprove any judge hired for an NEOHA sanctioned show.

B. Judges must meet certain criteria before they will be approved by NEOHA. No judge will be approved whom: lives within 50 miles of the show grounds at which they are being hired to judge; has shown at any NEOHA sanctioned show within the last year; has judged any NEOHA sanctioned show within the last two years; or that has been approved to judge any other NEOHA

sanctioned show in the same year.

C. NEOHA will provide to the sponsoring organization a list of judges that are **not** to be used in a given year along with a list of recommended judges.

D. In an emergency, an alternate judge from any location may be selected by the sponsoring organization. Approval of the show will then rest on a majority vote of those members of the NEOHA Directors present at that time.

E. Prior to or during the show, there will be no socializing in any way between the judge and anyone on the grounds, with the exception of show officials.

(1) Exhibitors having questions regarding their class should address their questions to the Show Steward on duty in the entry booth and/or the show ring, who will relay the question to the judge.

(2) The only time during the course of a show that the exhibitor should approach the judge with a question is if the judge has specifically addressed the class and asked if there are any questions regarding the class or the pattern; or if the judge asks the individual exhibitor specific questions regarding their performance.

(3) Exhibitors are welcome to address the judge with questions regarding the placement of a class or their individual performance; however, these questions must be held until after the end of the show. Exhibitors should not address the judge during any of the scheduled breaks or intermission.

(4) In the interest of fairness to all exhibitors, if the judge recognizes a particular horse or a particular exhibitor, in either a professional or personal context, NEOHA strongly recommends that the judge refrain from socializing with or about said individuals during the course of the show.

F. Judges' cards are to be handed directly from the ring master/mistress to the announcer.

G. In the event that certain exhibitors are disqualified from a class for any reason, the judge is not required to fill all five places. Exhibitors who have been disqualified should be made aware of the reasons for their disqualification in a discreet manner, but they should not be used in the placing of the class.

H. **The Judge's decision is final.** NEOHA has no control over judging decisions, and will not hear complaints or protests regarding these decisions. Complaints or protests involving the improper running of a class should be addressed to the Show Steward as per the procedure outlined in section 11..

I. NEOHA would prefer that the judge send the patterns they intend to use for the day to the sponsoring show committee one week prior to the day of the show.

J. Judges and/or Ring Stewards do not have the authority to eject anyone from the grounds.

K. NEOHA will follow AQHA guidelines regarding the use of illegal bits and spurs. A copy of the AQHA Rule Book is available at the entry booth for review for those who are not familiar with these guidelines. **Bits and spurs must be checked by the judge in at least one class per show.** English spurs must be one inch or less, worn down, not altered, and are not to have rowels.

9. POINTS FOR YEAR-END AWARDS

A. All exhibitors signing up for year-end point tabulation must be Dusty Boots Riding Club members.

B. All horses being exhibited for year-end point tabulation must be signed up prior to receiving any points. A yearly fee of \$15 per horse will be assessed for 1-3 horses. When Proof of Ownership shows an additional 4-6 horses from the same family they may be nominated for \$10 each and 7 or more for \$5 each. It is not required that all horses be nominated at the same time. This fee is separate from membership dues in Dusty Boots Riding Club.

- (1) Anyone with evidence that there is a discrepancy with the points must contact the point secretary as soon as possible to have the situation reviewed.
- (2) Only points earned after the time of payment of fees will be tabulated to count toward year-end awards. Points will begin with the class following the payment of fees.
- (3) Every exhibitor of every animal signed up for points must be a member of Dusty Boots for points to be recorded.
- (4) Exhibitors may receive points only with horses that are signed up for point tabulation.

C. Each class having five (5) or more exhibitors will have five (5) placings. First place shall receive six (6) points, down through fifth place receiving two (2) points. Each member who shows in a class, but does not place, will receive one (1) participation point. Any exhibitor that is disqualified from a class for any reason will still receive their participation point for that class. **Except for exhibitors testing positive for drugs or using illegal equipment.**

D. Each class having five (5) or less exhibitors shall have points awarded according to the following chart:

	1 st place	2 nd place	3 rd place	4 th place	5 th place
5+ exhibitors	6 pts	5 pts	4 pts	3 pts	2 pts
4 exhibitors	5 pts	4 pts	3 pts	2 pts	
3 exhibitors	4 pts	3 pts	2 pts		
2 exhibitors	3 pts	2 pts			
1 exhibitor	2 pts				

This chart is only for NEOHA year-end points, not daily high point awards. Such awards are awarded at the discretion of the sponsoring organization and NEOHA has no control over them.

E. Only animals or exhibitors which have accumulated a minimum of 10 points in a given class shall be eligible for year-end awards in that class.

F. Distribution of points for year-end awards will be as follows.

(1) NEOHA points will follow the horse in all Halter classes

(2) NEOHA points will follow the exhibitor in Showmanship, Horsemanship and Equitation classes, as well as Lead Line and Walk/Trot Classes

(3) NEOHA points will follow the same horse / same rider in open performance classes (Jr. Pleasure, Sr. Pleasure, QH Pleasure, and Open Trail.)

10. RULE CHANGES

The NEOHA Directors will evaluate and approve the rules and publish the rule book at the beginning of every calendar year. No rules for the year shall be changed after the rule book has been approved and published. Upon written request, signed by five (5) dues paying members 19 years of age or older, the NEOHA Directors will meet, and by a majority vote of Directors present, will clarify or define rule intent. Results of any rule clarification meeting will be provided to all committee members.

11. PROTESTS

A. The NEOHA has no control over judging decisions and such decisions may not be protested. **Judge's decision is final.**

B. Protests involving the improper running of a class must be presented to the NEOHA Show Steward before a class is placed. The Show Steward will consult with whomever he/she deems necessary and make a binding decision before the class may be placed.

C. Protests involving the administration of NEOHA rules must be presented to the NEOHA Steward in writing. A special meeting of the NEOHA Directors will be called before the next show and a decision made by a majority vote of members present. \$25 cash is to be posted with the written protest. If the protest results in no change, the \$25 will go to the NEOHA. If the dispute is settled in favor of the protestor, the \$25 will be returned. All parties involved in the protest must attend the hearing.

12. DRUG TESTING

A. In the interest of fairness to all exhibitors, all animals being exhibited at any NEOHA approved show are subject to random drug testing. Illegal drugs include, but are not limited to, controlled substances and masking drugs. A refusal to comply with such requests, or positive results as determined by the testing laboratory, constitute grounds for immediate disqualification for the period of one (1) calendar year from the date of testing. This shall also constitute grounds for suspension of association membership and privileges to the exhibitor, owner and/or trainer. Any points earned by the disqualified horse, exhibitor and/or owner will be withdrawn for the entire year. The Show Steward and/or club officers shall be empowered to make private arrangements for drug testing for the current show season.

13. UNSPORTSMANLIKE CONDUCT OR INHUMANE TREATMENT

A. Unsportsmanlike conduct or any other form of misconduct that is irresponsible, illegal, indecent, profane, intimidating, threatening or abusive is prohibited. This applies to Dusty Boots Riding Club members, non-members, exhibitors, trainers, owners, owner representatives, spectators and all other persons on the show grounds of a Dusty Boots Riding Club approved event.

B. When any individual is guilty of unsportsmanlike conduct and/or inhumane treatment of an animal as determined by the NEOHA Directors, including an individual's horse testing positive for drugs, certain rights of that individual, the exhibitor, owner and trainer of that animal may be suspended at the discretion of the NEOHA Directors. The right to participate in any remaining NEOHA shows may be suspended for such a time as deemed appropriate by the NEOHA Directors.

C. The standard by which conduct or treatment will be measured is that which a responsible person, informed and experienced in the generally accepted equine training and exhibiting procedures, would determine to be cruel, abusive or inhumane.

D. Any unsportsmanlike conduct, inhumane treatment or illegal drug use on a horse, should be reported immediately to the NEOHA Show Steward or any NEOHA Director.

E. Harassment of any exhibitor, judge, spectator or volunteer on the show grounds may be brought to the attention of the NEOHA Show Steward or any NEOHA Director. Immediate disciplinary action will be determined by the NEOHA Directors present. Disciplinary action may include but will not be limited to loss of points earned, suspension of membership, or dismissal from the show grounds. If further action is required, a formal disciplinary hearing may be requested by the parties involved.

F. Individuals found guilty of unsportsmanlike conduct, testing positive for drug use, inhumane treatment or harassment of any type, will be dealt with immediately by the NEOHA Directors present. All current NEOHA Directors are empowered to enforce disciplinary action that they deem appropriate.

G. NEOHA sanctioned shows are privately sponsored events; and as such, NEOHA reserves the right to dismiss from the show grounds any exhibitor, spectator, owner or trainer that is found by the NEOHA Directors to be in violation of NEOHA standards of unsportsmanlike conduct, drug use, inhumane treatment, or harassment.

14. GENERAL SHOW RULES

A. All NEOHA Shows must run all classes by the NEOHA Rules.

B. Any rule violation occurring at any show must be brought to the immediate attention of either the Show Steward or an NEOHA Director. If the violation occurs in the show ring, the Director will then be responsible for notifying the announcer and ringmaster prior to the placing of the class.

C. All exhibitors, spectators, trainers or other persons participating at an NEOHA sanctioned show must adhere to the rules set forth in this rule book, regardless of membership in Dusty Boots Riding Club.

D. Exhibitors showing in breed-specific classes must have registration papers at all NEOHA sanctioned shows to be produced upon request.

E. Exhibitors are responsible for errors in entries.

F. **Each horse/exhibitor combination must exhibit under a different back number.** If an exhibitor shows more than one animal throughout the day, they must have separate back numbers for each animal. Likewise, if an animal is shown by more than one exhibitor, each exhibitor must use a different back number.

G. **NO STALLIONS SHALL BE HANDLED BY ANYONE UNDER THE AGE OF 19 WHILE ON THE SHOW GROUNDS, NO STALLIONS SHALL BE SHOWN IN ANY OF THE WALK/TROT OR LEADLINE CLASSES.**

H. Each exhibitor shall appear in appropriate English or Western tack and attire for the class in which they are showing. Any exhibitor found to be using inappropriate tack or attire shall be disqualified.

1. ASTM approved hard hats with safety harnesses are required in all jumping classes and optional in all other classes. Exhibitors in English classes on the flat shall wear a hard hat of their choosing, and are not required to wear an ASTM approved hat. No exhibitor in any class, English or Western, choosing to wear an approved hard hat shall be penalized.
2. At the judge's discretion, they may allow the removal of hunt coats in English classes. In such cases, short sleeve shirts shall be considered appropriate. Short sleeve shirts are not considered appropriate in any Western class.
3. Inappropriate tack or attire must be brought to the immediate attention of the ring master, Show Steward, or an NEOHA Director prior to the announcement of the placing of the class.
4. An exhibitor may not be disqualified because it was discovered after he/she had left the show ring that his/her tack or attire was not appropriate.
5. Proper attire will also be required for schooling and training classes. However, a western saddle will be considered a training device for the Hunt Seat rider.

I. NEOHA will follow AQHA guidelines regarding the use of illegal bits. A copy of the AQHA Rule Book is available at the entry booth for review for those who are not familiar with these guidelines. Bits and spurs must be checked by the judge in at least one class per show. English spurs must be one inch or less, worn down, not altered, and are not to have rowels.

J. The exhibitor's age will be determined as of January 1st of the show year.

K. The age of the horse shall be computed on the basis of a calendar year starting on January 1st of the year foaled. It is a weanling during the year foaled and a yearling during the first calendar year following its foaling regardless of the time of year foaled. For example, a horse foaled any time in 2006 was considered a yearling on January 1, 2007 and two years old on January 1, 2008.

L. Any horse deemed unruly by either the NEOHA Steward, an NEOHA Director, or the judge, will be dismissed from the class and the exhibitor will forfeit their entry fee.

M. Classes will be Split if the number of entries exceeds sixteen (16) or at judge's discretion.

N. Entries for stakes and/or jackpot classes will close when the class immediately prior enters the show ring.

15. ENFORCEMENT OF NEOHA RULES

A. It is the duty of the NEOHA Directors to write, evaluate, clarify and enforce the NEOHA Rules.

B. Any individual having evidence that another individual is in violation of the NEOHA Rules, should present said evidence to an NEOHA Director immediately. The Directors will investigate the accusation and, if the accusation is substantiated, take appropriate action as may be required.

C. Rule violations that are discovered during the course of the day at a horse show will be handled and immediate disciplinary action decided by at least three NEOHA Directors present, including at least one Show Steward. The individual in violation of the rules will be notified verbally immediately upon discovery of the violation.

D. All rule violations will be discussed by the NEOHA Directors as soon as possible following the violation. At that time, the Directors will determine if further disciplinary action should be taken. If further action is required, the individual(s) affected will be notified in writing by an NEOHA Show Steward.

E. In some cases, individuals may have their memberships and/or showing privileges revoked or suspended for such a time as deemed appropriate by the NEOHA Directors. Rule violations that may incur suspension may include but are not limited to: horses testing positive for illegal substances; inhumane treatment and/or unsportsmanlike conduct, including the use of illegal bit or spurs; passing bad checks for payment of NEOHA fees; and willful violation of the terms of specific NEOHA class divisions.

F. Any individual participating in any capacity at any NEOHA sanctioned show will be bound by the NEOHA Rules. NEOHA reserves the right to take disciplinary action against anyone who stands in violation of the rules, regardless of their membership in Dusty Boots Riding Club. Ignorance of the NEOHA Rules will not be tolerated as an excuse for their violation.
