

Boot Dusters Youth Group Parent/Guardian Agreement

Eligibility for Youth Group Funds/Benefits

To be eligible for any financial benefits or resources provided by the Boot Dusters Youth Group (e.g., t-shirts, boot duster bucks, stall signs, ect), the youth member must meet the following criteria:

1. **Active Participation:** The youth member must actively participate in youth group functions by attending a minimum of three (3) youth meetings, outings, or fundraisers throughout the current calendar year (January 1st - December 31st).
2. **Non-Transferability:** Eligibility and benefits earned through participation are non-transferable between individual youth members or adult representatives. Each member must meet the participation requirements independently.
3. **Direct Participation:** The youth member must personally attend and participate in the required activities. Family participation alone does not fulfill this requirement for the youth member

Parent/Guardian Agreement (for youth members seeking benefits):

By signing below, I/we, the parents)/guardian(s) of the above-named youth member, acknowledge and agree to the following:

- We have discussed the expectations of Boot Dusters Youth Group members with our child.
- We understand that our child must actively participate in at least three (3) youth functions (meetings, outings, or fundraisers) within the calendar year to be eligible for youth group funds or benefits.
- We hold a current Dusty Boots Family membership and are in good standing with the club.
- We understand that if our child receives financial benefits from the Boot Dusters Youth Group and does not meet the minimum participation requirement by the last scheduled "activity", we will be responsible for reimbursing the Boot Dusters Youth Group for the funds spent on our child. The reimbursement amount will be determined by the Boot Dusters Youth Group leadership based on the specific benefit received.
